Dear *Ron*

### **Open Doors Visit**

Thank you again for your church's invitation to speak at your café service in November and for the wonderful cheque received for £490 from the frugal lunch which followed. This will greatly help several Christian families from Iraq and Syria to endure the many hardships of being refugees during this winter period.

Pat and I very much enjoyed our visit and your café style of worship, especially your music. I hope we can come again some time. There has been a spin-off too as I have since been invited to speak at All Saints, Brenchley on Sunday 14 February when I hope to have details of the 2016 World Watch List.

Wishing you a Blessed New Year

*Brian Carter*
